Waiver of Liability

Under Wisconsin law, there is no liability for and injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to sections 1 through 4. You are assuming the risk of participation in this equine activity.

Inherent risks of equine activities include, but shall not be limited to:

1. The propensity of a horse to behave in ways i.e., running, bucking, biting, kicking, shying, stumbling, rearing, falling or stepping on, that may result in an injury, harm or death to persons on or around them:
2. the unpredictability of a horse's reaction to such things as sounds, sudden movement and unfamiliar objects, persons or other animals;
3. certain hazards such as surface and subsurface conditions:
4. collisions with other domestic animals or objects; and
5. the potential of a participant to act in a negligent manner that may contribute to injury to the participant or others, such as failing to maintain control over the horse or not acting within such participant's ability

I have been informed of the Wisconsin law and understand that I cannot hold Great Lakes Friesian Horse Association responsible for any injury or death due to equine activities.
